

Quest DB konferenca s TOAD delavnicami

Z velikim veseljem vas vabimo na Quest DB uporabniško konferenco, ki bo v Ljubljani - **četrtek, 6. februar 2020!**

Iz prve roke boste obveščeni o trendih v industriji, dobili informacije o vodilnih Quest rešitvah in razvojnih načrtih za prihodnost.

Prava poslastica bodo trendovske delavnice, posebej domišljene in pripravljene za administratorje baz podatkov in razvijalce.

Z nami bosta predstavnika Quest, ki poznata izzive sodobnega upravljanja in zahteve s katerimi se srečujete pri vsakodnevnem delu in načrtovanju strategije razvoja področja. Oba, **Aleš Zeman** in **Eero Matilla**, sta že leta močno vpeta v Quest organizacijo. Izhajata iz prakse z aktivnimi povezavami v stroki in certifikati z področij, ki jih obvladujeta in sta tudi redna govorca na številnih konferencah in združenjih po Evropi in širše.

Pravočasno si zagotovite svoje mesto in pripravite vprašanja na katera želite odgovore!

Obvezna prijava na info@adm-adria.eu ali 05/925 19 55 najkasneje do 3. februarja 2020 oz. do zasedbe mest.

Ob prijavi navedite izbrano delavnico, da si zagotovite mesto na njej!

Ekipa ADM-Adria

Andrej, Denis, Marjana, Tomaž, Emanuel, Žiga, Primož

AGENDA:

(predavanja in delavnici bodo v angleškem jeziku)

9:00	Registration & Coffe

Ales Zeman:

Ales Zeman has been working with Quest Software for 19 years. He is Head of the Sales Engineering & Professional Services Department in Europe, Middle East and Africa in the area of Information Management. He is responsible for solutions for application and database performance management. He has a master in computer science and has more than 28 years of IT experience.

Eero Matilla:

Eero Mattila is a Principal Systems Consultant for Systems and Information Management at Quest Software GmbH, based in Cologne, Germany. Eero has been working with relational databases since 1991, and since 2002 he has been focusing on performance management and special database solutions such as replication. Eero gives presentations on a regular basis at conferences such as the German Oracle User Group (DOAG), the Professional Association for SQL Server (PASS), Toad User Conference and Foglight User Forum in Germany etc. Prior to joining Quest in 2005, Eero Mattila worked as a database administrator and developer for the German Parliament and as a Systems Engineer at Oracle Germany.
